

Front

I BELIEVE YOU

When you tell me
you've been
raped;

When you
tell me it
wasn't
your
fault;

When you
tell me
rape is
an act of
violence,
not sex;

When you
tell me so
many things
seem
different
now;

When you tell
me you did the
right thing to survive;

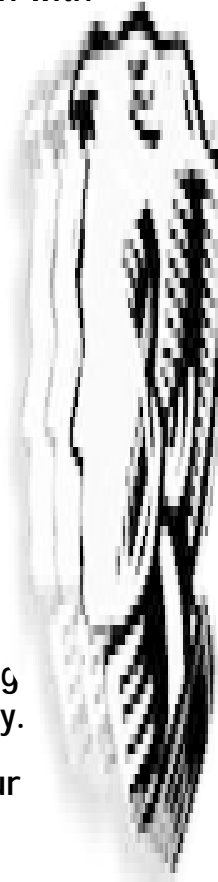

When you tell me you
just need me to be there.

Back

I PROMISE TO

Treat women with
respect.

Talk, and
more
importantly
listen.

Stop
laughing at
sexist
jokes.

Respect
your
desires.

Stop buying
& supporting
pornography.

Support your
decisions
about sex.

Understand that
rape changes your life
forever.

Get involved and take
action today.
